Re: Notice of Allowability mailed April 25, 2005

**REMARKS**

In response to the Comments on Statement of Reasons for Allowance mailed April 25, 2005, more specifically, the comments regarding the Information Disclosure Statement filed on March 18, 2005, the Examiner noted that the Information Disclosure Statement did not include a statement of relevance for the Chile patent references, which are not in the English language. The Applicant respectfully submits that the best information available concerning the Chile patent references was submitted in the Information Disclosure Statement, thereby satisfying the duty of disclosure. The Applicant appreciates the Examiner's consideration of the other references included in the Information Disclosure Statement.

Respectfully submitted,
